

# ROBERTO MILLÁN

Fullstack Developer

---

(+34) 680 92 07 16   [rc\\_millan@outlook.com](mailto:rc_millan@outlook.com)   Valencia, España

---

## SUMMARY

Systems Engineer graduated with top honors from La Salle University (Bolivia), currently based in Valencia, Spain. I have experience as a Fullstack Developer with a strong focus on Frontend development.

I also have skills in Graphic Design, UX/UI, Machine Learning, Containers, and Cloud technologies. I work under agile methodologies, maintaining an organized and collaborative approach. I am characterized by empathy, active listening, and commitment to a professional and respectful work environment.

## EDUCATION
